| Scotts Valley Fire Protection District | Policy: 508 |
| Subject: Firefighter II Duty Statement | DATED: March 23, 1998 |

Policy 508: Firefighter II Duty Statement

1. Firefighter II's shall be under the immediate supervision of the company officer.
2. Firefighter II's shall extinguish fires and take proper steps to prevent rekindle thereof.
3. Firefighter II's shall respond with their assigned apparatus to all alarms and emergency calls and perform such duties as may be required.
4. Firefighter II's shall keep apparatus, equipment, tools and their uniforms in a clean serviceable condition.
5. Firefighter IIs shall keep the station and premises neat, clean and in good order.
6. Firefighter II's shall perform other work such as their superiors may require.
7. Firefighter II's may be required to drive and operate fire apparatus as the needs of the district dictate.
8. Firefighter II's shall at all times drive and operate apparatus in a manner consistent with safety. Due regard for the welfare of the public and the district shall govern the operation of all apparatus.
9. Firefighter II's shall, under the supervision of the officer in charge, be responsible for the condition and operation of apparatus to which they are assigned, and shall be held strictly accountable for its readiness for service.
10. For expedience in response to alarms, firefighter II's shall acquaint themselves with the topography, physical conditions, and other matters affecting response within the areas where this district has responsibility for fire prevention and suppression.
11. Firefighter II's shall familiarize themselves with practice and procedures relative to water supply, fire streams, pump capacities, motor and other operations which will enable them to efficiently perform their duties.
