Article IV. PREVAILING RIGHTS

Article VII. SHIFT HOURS, STAFFING AND OFF-DUTY RESPONSE

Section 7.01 Staffing

The **District** and the **Union** agree that staffing levels are directly related to the safety of personnel and level of service that the **District** is able to provide. The **District** and the **Union** endeavor to work closely to provide the best possible service while providing for the safety of personnel. The **District** and **Unit** members will comply with the OSHA requirements for “2 in, 2 out” for entry into environments that are Immediately Dangerous to Life and Health (IDLH).

On-duty company staffing will be two (2) companies, typically one at each station. On-duty staffing will be no less than two (2) qualified personnel per company, one of whom shall be a Captain or Acting Captain and a minimum of Firefighter Step 2. The minimum number of companies shall be set by the **District**. A company is defined as a staffed response resource typically assigned to a fire station ready to respond to incidents.

The Administrative Captain position will not be used to replace minimum company staffing due to Vacation, Sick Leave, Workers Compensation or Educational Time Off, during their 4/10 work schedule.

The **District** needs to retain the flexibility for unusual and/or disaster circumstances for purposes of off duty response when the primary companies are committed. Specific assignments for response will be made by the Fire Chief or his/her designee, taking into account the nature of the response, safety of personnel and need for additional response resources.

While this section establishes minimum levels of company staffing, the **District** may exceed the minimum staffing levels to provide a higher level of service.

Section 7.02 Call-Back, Off Duty Response, Overtime

(a) Regularly Scheduled Overtime – Shift Employees

Shift employees are regularly scheduled to work 192 hours in each 24-day work period. The **District** has adopted a 24-day work period under Section 7(k) of the **FLSA**. Under Section 7(k), employees are eligible to receive overtime compensation for hours worked in excess of 182 hours in each 24-day work period. Employees who work all regularly scheduled hours in the work period will receive up to 10 hours of **FLSA** overtime premium for those regular scheduled hours worked between 182 and 192. Except for Educational Time Off, paid leave hours, such as vacation or sick leave, will not be included in calculating hours worked for purposes of receiving any overtime premium for regularly scheduled overtime hours.

(b) Voluntary Overtime – Shift Employees

Overtime assignments will be offered to employees in accordance with SOP 1103 and 1103A. Employees who accept such overtime assignments will be paid at 1.5 times the “regular rate of pay” (as that term is defined under the **FLSA**) for all hours worked in the assignment.

(c) Call Backs and Off-Duty Incidents – Shift Employees

Employees who are called-back to work by the District after having completed a regular schedule or who are called in to work by the District on a scheduled day off will be paid for all hours worked in connection with that call back, subject to a two-hour minimum. For purposes of calculating an employee's response to a call-back or off-duty response, the employee's hours worked will begin upon being dispatched and will end upon being released from duty and will include reasonable travel time to return to their home.

Employees will be called back and/or called to an off-duty incident in accordance with SOP 1103 and 1103A, except that all employees are subject to mandatory recall in times of emergency.

Article VIII. EDUCATION

Section 8.01 Educational Time-Off (ETO)

Each employee will be granted up to thirty (36) hours of ETO per fiscal year. The purpose of the time is for job related classes as approved by the fire chief or designee. The Fire Chief, or designee, will have the ability to deny or authorize requests based on fiscal impacts, operational impacts and the specific request. Hours spent on ETO will be included as hours worked when calculating eligibility for any overtime premium for regularly scheduled overtime hours.

Use of ETO shall be subject to the approval of the Fire Chief, as specified in **Section 10.01(b)**. Once granted ETO shall not be rescinded, except in the case of emergency. In the event that ETO is rescinded, the **District** will be responsible for reimbursing the employee for any related expenses.

Section 8.02 Continuing Education Reimbursement

Each employee will be eligible to receive up to \$1,000 in education expense reimbursement each fiscal year, regardless of rank.

The **District** will reimburse employees for continuing education related expenses that are associated with job related training, subject to the approval of the Fire Chief. The employee must attend and/or complete the educational program associated with the training to be entitled to education expense reimbursement.

Article IX. COMPENSATION

Section 9.01 Salaries

Movement from one pay step to the next in the series is subject to the employee successfully passing a **District** designed and administered test.

Unit members in top step Captain, Engineer and Firefighter category shall complete 12 hours of qualifying fire service education each fiscal year, relative to their position. Online training such as found on Target Solutions is acceptable, provided it is not considered mandatory training. **Unit** members must provide proof of successful completion, with passing grade, and the number of training hours. **Unit** members who fail to complete requisite education will revert to the next lower pay step until requisite education is complete. Upon completion of requisite education the **Unit**

member shall be restored to the former pay step. Time at the lower step shall not be eligible for retroactive pay upon restoration to higher step.

Section 9.02 Pay Rate Calculation

- Straight time rate = base monthly salary x 12 ÷ 2912.
- Pay rate = base monthly salary + any fixed monthly differential(s)
- Annual rate = Pay rate x 12
- Biweekly pay period rate = Annual rate ÷ 26
- Hourly rate or 56-hour rate = Biweekly rate ÷ 112 (2 x 56 hour weeks)
- Per shift rate, 24 hour shift = Hourly rate x 24

Section 9.03 Uniform Allowance

The **District** will provide employees with all **District** required uniform elements and equipment. The **District** will also provide uniform and equipment replacements, and provide for uniform maintenance and cleaning as needed, as determined by the **District**.

The **District** will report, for CalPERS Classic Members, the monetary value of the required uniform elements and equipment, uniform and equipment replacements, and uniform maintenance and cleaning as special compensation on a quarterly basis not to exceed \$1,200 annually.

All issued uniform items are the property of the **District** and will be returned to the **District** or paid for by the Employee upon Employee termination.

Section 9.04 Work Out of Classification

The **District** and the **Union** agree that it is desirable that a highly trained, professional fire prevention and fire suppression force should be developed and maintained. To that end, it is agreed that Employees should be well trained for the work they are expected to perform and that no employee should be ordered to do work for which the employee is not qualified or which is not, in the judgment of the Fire Chief, related to the **District's** responsibilities with respect to fire prevention or suppression, including improvement or maintenance of the **District's** property.

The Fire Chief or designate shall be responsible for appointing personnel to acting positions, except in cases of emergency, when the duty-chief may do so.

(a) Acting Captain Differential

Fire Captains who maintain Paramedic licensure following promotion to Fire Captain will be paid a differential of 3% of Firefighter 2 base monthly salary. Fire Captain Paramedics may revert to Fire Captain at any time.

(a) Qualification Standards

All **Unit** members shall be eligible to receive Paramedic Incentive as provided in this Section. Paramedics promoted to the rank of Fire Captain may maintain Paramedic licensure upon promotion to the Fire Captain position. The Fire Captain Paramedic will not be assigned as the only Paramedic on a company, except under extreme circumstances.

All employees working as Paramedics under the **District** program shall be accredited, must maintain all required certifications, and complete all related training and reviews including a State license and Santa Cruz County Emergency Medical Technicians Paramedic accreditation. All Paramedics are subject to clinical review by the Santa Cruz County Emergency Medical Director and Quality Assurance oversight by a **District** representative. Paramedics are responsible for maintaining all necessary standards and may be removed from the Paramedic program and/or subject to any other disciplinary action for failure to maintain Paramedic standards.

(b) Program Participation

All employees, working as Paramedics must stay in the Paramedic program until promoted to Captain, attrition permits their position to be filled, or the **District** is able to train or hire a replacement. Paramedics may stay in the program after promotion to Captain until the **District** fills their Paramedic position.

Paramedics may request to be relieved from the Paramedic program to revert to a position as a Firefighter, Engineer or Captain, depending upon their current rank, but may not leave the Paramedic program until the **District** has obtained a replacement. The original eight (8) employees qualified to become Paramedics at the time of implementation of the **District's** Paramedic program on January 1, 2003 will revert to a position as a Firefighter, Engineer or Captain, depending upon their current rank, if they are disqualified from the Paramedic program

or request to leave the program. However, all subsequent Paramedics are subject to disciplinary action up to and including termination if they are disqualified or request to leave the Paramedic program.

(c) Paramedic Training

The **District** will provide continuing education to assist Paramedics in maintaining the Paramedic qualification standards. Paramedics must obtain permission from the **District** to attend any training related to maintaining Paramedic standards that is not provided by the **District** itself. The **District** will pay the costs for this training, which shall not count against any education expense reimbursement available under **Article VIII**. The **District** will also pay overtime compensation if necessary for Paramedic training.

Section 9.06 Hazardous Materials Assignment

Upon administrative assignment, unit members assigned Haz-Mat duties established by the Fire Chief shall receive special assignment pay equal to 5% of their base monthly salary, and not including any differentials, while so assigned (not to exceed \$475 per month). Removal from this administrative assignment shall not be cause for a grievance nor be considered disciplinary action.

Section 9.07 Administrative Captain

The Administrative Captain is an administrative assignment by the Fire Chief. Removal from this assignment shall not be cause for a grievance nor be considered disciplinary action.

The Administrative Captain will be scheduled to regularly work a 4/10 work schedule but will remain on an FLSA twenty-four day 7(k) work period. When performing the duties of an Administrative Captain, their hourly rate will be calculated as follows: Hourly rate = Biweekly rate ÷ 80 (2 x 40 hour weeks).

The Administrative Captain shall receive a special assignment pay equal to 4% of their current base monthly salary (Captain 1, 2 or 3), before differentials, while so assigned. In no event will the special assignment pay provided, for serving as the Administrative Captain, exceed five hundred dollars (\$500) per month.

The Administrative Captain will be permitted to observe the same twelve (12) District holidays observed by other administrative personnel. The Administrative Captain will be provided with up to eight (8) hours of paid time off on each holiday. If the Administrative Captain is required to perform work on a holiday, the Administrative Captain will be paid for any such time work at the applicable overtime rate in lieu of receiving any holiday pay. The Administrative Captain will not receive holiday pay and overtime pay for the same hour.

The Administrative Captain position will not be used to replace minimum company staffing due to Vacation, Sick Leave, Workers Compensation or Educational Time Off, during their 4/10 work schedule.

The Administrative Captain must receive advance approval from the Fire Chief or designee before working any overtime in the Administrative Captain assignment. The Administrative Captain will

receive overtime compensation for hours worked in excess of 40 in the calendar week. This overtime will be paid at 1.5 times the Administrative Captain’s regular rate of pay.

Subject to the approval of the Fire Chief or designee, the Administrative Captain may be eligible to work a voluntary overtime shift assignment that does not conflict with the Administrative Captain’s regularly scheduled 40-hour a week assignment. In addition, the Fire Chief may direct the Administrative Captain to work a shift assignment, call back, or off-duty response when in the Fire Chief’s judgment such work is necessary to provide services to the community. If the Administrative Captain volunteers for or is required to work a shift-assignment, the Administrative Captain will be paid at 1.5 times the shift (or 56 hour) rate.

Immediate family shall mean an employee's child, adopted or stepchild, spouse, registered domestic partner, father, mother, stepparents, grandparents, grandchildren, brother, sister, or any of the above related to the spouse or domestic partner. For 40-hour employees, forty (40) hours of leave will be granted and shall be charged against sick leave balance. For 56-hour employees, two (2) 24-hour shifts will be granted and shall be charged against sick leave balance. The leave must be used in complete shifts.
