

SCOTTS VALLEY FIRE PROTECTION DISTRICT

STANDARD OPERATING PROCEDURES	ARTICLE: I	SOP: 1103
	SECTION: 1100 PERSONNEL	
	SUBJECT: CAREER STAFF CALL BACK PROCEDURES	
DATE APPROVED:	2/3/2021	
APPROVED:	<i>Tom Whelan</i>	

Purpose: To establish a method of determining who will work a call back shift, when needed.

Scope: The following guidelines are for use in maintaining staffing levels due to absences resulting from sick leave, vacations, and workers compensation injury leaves. These guidelines shall be adhered to when utilizing the career call back system to maintain a minimum of paid career firefighters on duty at all times.

Procedure:

- 1) Call back procedures to fill absences other than vacations, sick leave and workers compensation leaves will only be done on the authority of the duty chief.
- 2) Call back for temporary duty assignments such as errand runs, physicals and meetings will only be done on the authority of the duty chief.
- 3) A career staff call back list shall be maintained on CrewSense Staffing Program, listed by rank and will indicate who is qualified to act in various positions.
- 4) The individual with the lowest cumulative number of callback and overtime hours worked, will be the first person called to fill the next vacancy (in relation to the position needing to be filled).
- 5) In order to qualify to be on the list, a minimum of three months of experience is required.
- 6) When it is known in advance that a vacancy will occur that would require the activation of the call back list, filling that vacancy shall take place NO LESS than 96 hours, but NO MORE than thirty (30) calendar days in advance.
- 7) For purposes of payroll, an employee working a call back will be compensated from the time that the employee reports ready for duty.
- 8) The position that creates the vacancy will be the position called for.
- 9) Positions subject to call back shall be those positions recognized as part of the district's staffing levels. The three identified positions will be staffed at each station.
 - a) Fire Captain or Acting Captain
 - b) Engineer (Qualified apparatus operator)

SCOTTS VALLEY FIRE PROTECTION DISTRICT

STANDARD OPERATING PROCEDURES	ARTICLE: I	SOP: 1103
	SECTION: 1100 PERSONNEL	
	SUBJECT: CAREER STAFF CALL BACK PROCEDURES	

- c) Paramedic (any rank)
- 10) Minimum on duty staffing for the District is two (2) companies with no less than two (2) qualified personnel per company.
- 11) The functions of Fire Captain, Engineer and Firefighter/Paramedic may be filled with any combination of three qualified personnel per company as long as each function can be carried out with qualified personnel.
- 12) Determine the position causing the call back (typically the second person off of the shift) and follow the sequence below based on individual needs. Once determination is made, use the following guidelines for given positions
- Fire Captain:**
- a. Fill vacant position with an off duty captain by following the previously identified call back list procedures.
 - b. If no off duty captain accepts, utilize acting captain on affected shift and fill behind that position.
 - c. If an acting captain is not available on the affected shift, call back an off duty acting captain
 - d. If no off-duty acting captain is available, call back an off-duty Battalion Chief.
 - e. If none is available, a mandatory call back of the first captain on the call back list will be necessary.
- 13) For all positions under Fire Captain, a single rotational list will be maintained. The first person on the list meeting the necessary qualifications for the open position will be called.
- 14) If, after exhausting the list twice, nobody accepts, the Fire Captain list will be used if the person on the list meets the necessary qualifications.
- 15) Upon exhausting the list(s), a mandatory call back will be done of the first person on the list with the necessary qualifications.

The duty chief shall be notified prior to initiation of the mandatory call back. The duty chief has the discretion to order the call back and/or to make any other judgments in the best interest of the District.

Specific Calling Guidelines

- Utilize the CrewSense callback system first.
- If necessary, call cellular phones next, followed by home phones if available. Leave a message and identify time restraints.
- Text messaging is acceptable, particularly when multiple people need to be contacted on short notice.

SCOTTS VALLEY FIRE PROTECTION DISTRICT

STANDARD OPERATING PROCEDURES	ARTICLE: I	SOP: 1103
	SECTION: 1100 PERSONNEL	
	SUBJECT: CAREER STAFF CALL BACK PROCEDURES	

- Close coordination is necessary between the managing officers (Captains and Chiefs) to assure adequate coverage and equitable rotation. The call backs should be filled within the defined limits, but as soon as possible within those limits, based on specific circumstances.

Wait Times for Employee Reply

The on-duty company officer may have time constraints and be required to fill a vacancy quickly, thus not allowing for excessive time for a particular employee to reply. Further, captains are not expected to spend excessive time managing the system and allowing extended time for employee replies. See attachment for time frames based on labor group rules.

- Employees are responsible to assure that they are able to be contacted and to reply promptly.
- Employees are responsible to assure that their availability status is set appropriately in CrewSense when they are unavailable, so that the system or company officers do not waste valuable time attempting to contact unavailable employees.
- The duty chief and/or fire chief may provide specific direction based on circumstances.

If there are multiple callbacks to fill, it is important to fill the most immediate callback first before filling later callbacks.

The duty chief and/or fire chief may provide specific direction based on circumstances.

Local 3577 Callback List Rules

1. A Callback ranking list shall be created for Captains, and a second list created for all ranks below Captain.
2. The ranking lists will be based on cumulative hours of Overtime and Callback hours worked per fiscal year. All Callback and OT hours worked shall be counted on the list.
3. The list will reset on July 1st, annually. One's position on the list at the end of the fiscal year will determine the initial hours assigned on July 1st. One hundredth of an hour will be assigned for each position on the list. For example 0.01 hours will be assigned to the person ranked #1, and 0.15 hours will be assigned to the person ranked #15.
4. New hires and promotions will be placed on the list by assigning them the average number of hours of all personnel on the list at their time of hire.
5. Personnel promoted to Captain, will be placed on the list by assigning them the average hours of all personnel on the current list, including those of the individual newly promoted.

Callback Wait Times

Number of Days Out	Wait Time
14-30 Days	48 HRs
72 HRs - 14 Days	24 HRs
24-72 HRs	2 HRs
< 24 HRs	10 Minutes
< 1 HR	1 Minute
