12:00 Noon  
Late Submittals Not Considered

---

**Scope of Work:**

- Building will be pressure washed to remove any dirt or mildew.
- Plants will be protected to your best ability with some being exposed to damage being too close to the building.
- Any holes or large cracks will be filed and spot primed for better paint adhesion, and any loose paint will be scraped off, sanded, and primed.
- Painted fascia's, overhangs and gutters will be painted along with exterior doors excluding garage doors.
- Only high quality paint will be used like Kelly-Moore or Sherwin-Williams and will be low sheen. Doors and trim will use high quality trim paint.
