7.1 Board of Directors Report - Directors

President Parker reported that the Finance Committee met and everything was in order. In addition, the Finance Committee reviewed revisions to the finance policies for discussion at the next Board Meeting.

Director Patterson stated that he and Chief Whittle attended a zoom meeting with Supervisor Koenig and community members of the Branciforte Fire Protection District (BFPD) to discuss concerns.

Chief Whittle stated that the Facilities Committee Meeting is 9/24/2021 at 10:30 a.m. and the agenda will be sent out shortly. Chief Whittle will email links with the FEMA webinar and the grant opens at the end of month.

7.2 <u>Administrative Report - Chief Officers</u>

The Administrative Report was included in the board packet and Chief Whittle reported on the following:

- E2538 is still out on a strike team assignment, currently at the Caldor Fire. The Engine began on the Dixie Fire on August 5, and was sent to the Caldor Fire on August 17th. The Crew was rotated on August 18th and will be rotated again on September 2nd. Chief McNeil completed his second tour as the Strike Team leader, and Chief LoFranco is out on his second tour as a Trainee. Chief LoFranco should be signed off as a Strike Team Leader upon his return from this assignment.
- We have 5 candidates currently going through backgrounds for our next PCF academy, which should begin
 in January. We are going to continue to work with Cal Fire, however the academy will be scaled back to
 a basic academy rather than full Firefighter 1.
- The SVFPD secured Rapid Covid-19 tests which are available to employees and their family members.
- Administrative Captain Vandervoort completed 3 WUI/LE 100 inspections in Scotts Valley and another
 4 in Branciforte. Most of the BFPD LE 100 inspections were assigned to the BFPD Captains.
- Administrative Captain Vandervoort completed State Mandated Occupancy Inspections at Coast Redwoods Montessori Preschool, Circle of Friends Preschool, Best Western Plus Hotel and in on schedule to complete all Mandated Occupancy Inspections.
- Meeting with the developer regarding the possible sale and future use of the La Madrona property. Starting
 the process will require Board action, which will hopefully be presented at the next Board Meeting.

Battalion Chief McNeil reported that as the strike team leader, he had a good crew and they did a lot of hard work.

Battalion Chief Stubendorff reported that the SVFPD responded with 10 personnel to a BFPD full evolved structure fire and the crews were able to keep it out of the wildland. Probationary Firefighter signoff to drive the Type 1 Engine has been completed and we are working on the Type 3 and Water Tender, which is ahead of schedule.

7.3 Administration of Fire Services Agreement with the Branciforte Fire Protection District Report

Chief Whittle stated that in 22 days, the agreement with the BFPD will end. The BFPD Board had a Special Meeting at the end of August with a potential part-time Interim Fire Chief candidate. There is a lot of public interest and 66 BFPD community members attended the Zoom Special Meeting and asked good questions. At the BFPD Regular Board Meeting next week, the Interim Fire Chief will be appointed and we have scheduled 4 days (2 hours each

SCOTTS VALLEY FIRE PROTECTION DISTRICT Regular Board Meeting September 8, 2021

day), of training to cover the bills and payroll. Discussion ensued regarding the administrative and operational transition of management back to the BFPD.

Director Patterson asked to have the BFPD Zoom Board Meeting link emailed to the SVFPD Board.

October 6th, 2021

Dear Scotts Valley Fire Chief Vandervoort,

This year, the annual Scotts Valley Haunted House returns. Planning continues throughout the entire year, with shows planned on October 21-23 and October 28-30

All proceeds from the Haunted House are donated to the Leukemia and Lymphoma Society each year. Participating students earn community service hours towards their graduation requirement.

Previously, you have waived the \$330 fee generated by the permit inspection. All of us in the Haunted House and school community would greatly appreciate your consideration in allowing this waiver again.

Thank you for your continued support.

Sincerely,

Greta Feague

POLICY: 1605	SUBJECT:	Fiscal Accountability
DATE APPROVED: 10/13/2021		
BOARD PRESIDENT:	FIRE CHIEF:	

Policy 1605: Fiscal Accountability

Purpose

The Scotts Valley Fire Protection District (SVFPD) will provide fiscal accountability at all levels. As a public agency, it is crucial to maintain a high degree of public trust through the wise use of resources for the benefit of the public.

Transparency

The financial condition and transactions of the SVFPD will be open to the public for review. This will be accomplished through availability of financial statements in print or on the SVFPD website, availability of records and reports, and open review of financial records unless restricted for confidentiality by law consistent with the Public Records Act.

Budgets

The financial operation of the SVFPD will be conducted in accordance with an annual budget that has been reviewed and adopted by the Board of Directors in compliance with all applicable laws and regulations. Each year a preliminary budget will be prepared and presented to the Board in open session normally at the May public meeting. A final budget will be presented, normally in August for public hearing and adoption by the Board at a meeting that has been fully noticed. The SVFPD financial performance will be reviewed against the adopted budget by the Finance Committee of the Board at least quarterly, and the results of this review presented to the full Board at the first public meeting following the review.

External Audits

Financial audits will be conducted annually by a firm qualified in governmental accounting standards. The audit will be conducted in accordance with the then current Governmental Accounting Standards Board requirements. The completed audit will be presented to the audit committee of the Board of Directors in open session for review and acceptance. Once accepted by the Board, the annual audit will be the official audited financial statement of the SVFPD and will be available for review by the public.

Internal Audits

On a monthly basis, and prior to the presentation of the warrants to the Board for approval, the Fire Chief will verify that the SVFPD warrants are complete, accurate, and properly authorized, and that the records maintained by the County are true and consistent with the SVFPD records.

POLICY No. 1605 Page 1 of 2

Scotts Valley Fire Protection District	FIRE DIGI
POLICY: 1605	SUBJECT: Fiscal Accountability

The Finance Committee may conduct a separate audit of the SVFPD warrants and supporting documentation to verify that the warrants as presented to the Board are a complete and true record of expenditures.

The results of the Finance Committee's audits will be reported to the Board at the next regularly scheduled meeting and documented in the minutes of that meeting.

Approval Authority and Payment Processing

The Fire Chief is authorized to settle warrants as defined in the Purchasing Policy 1600 within the limits of the adopted budget. All other claims will require authorization by the Board of Directors prior to settling the claim.

A summary list of all warrants processed within a calendar month will be presented to the Board for review and approval at the first regular open meeting following the end of the month in question. The summary list will be available for public inspection.

The (SVFPD) uses the services of the Santa Cruz County Auditor's Office to settle authorized claims of the (SVFPD). The staff will prepare claims weekly to be submitted to the Auditor's office for payment to the vendor. Specific procedures are detailed in Standard Operating Procedure 1208: District Claim Payments.

Revenues and Deposits

The bulk of the (SVFPD) funds are received by the County Treasury in the form of property taxes. The County Auditor posts the amount of taxes as received based on formulas established by State law.

Funds are received in the administrative office in the form of checks and cash, particularly for permit issuance, sale of surplus assets as authorized and donations. A receipt will be issued for all over the counter funds received in the administrative office and will be securely locked until such time a deposit can be made to the County Treasury. Deposits will be made once a week or as necessary due to receipt of significant amounts of money.

Treasury Reports

The funds of the (SVFPD) are invested by the Santa Cruz County Treasurer. In accordance with GASB 31, the Santa Cruz County Treasurer will provide an annual Investment Report, which is included in the SVFPD annual audit. The Board of Directors will review the annual investment report in order to satisfy the fiduciary responsibility of the (SVFPD). Any discrepancies or concerns will be immediately forwarded to the Santa Cruz County Treasurer for resolution.

Reports and Records

The (SVFPD) will maintain appropriate records and reports for fiscal accountability and accuracy. In addition to the internal records and reports of the (SVFPD) fiscal records will be reconciled with the Santa Cruz County Auditor's Office. Any discrepancy will be researched and reconciled.

Operations

E2511 was placed out of service due to significant brake wear. All replacement parts have arrived and the engine will have a thorough inspection by an outside mechanic. E2511 should be back in service by the second week of October.

E2512 is going back to the Central shop to have its radiator repaired. There have been multiple problems with replacement radiator parts from an outside vendor. Central is handling the repairs and as of now will be warranting the work.

Several online based emergency reporting systems were looked at to replace our current Firehouse incident report program. Firehouse will cease support for our current software in the near future. The goal is to have a new emergency reporting system in place with personnel trained by the end of the year.

On September 2nd, we completed our second crew rotation on the Caldor Fire. BC LoFranco STEN(T), Captain Petteys, Eng Green, FF Smiley and FF Vandiver replaced the crew that had been out for 14 days.

On September 26th we responded to the Fawn Fire in Shasta County. BC McNeil was the strike team leader, E2538 was staffed by Captain Petteys, Eng Pedemonte, FF Vandiver and FF Shaughnessy. They returned to the District in the evening of September 28th.

Training

Firefighters Matt Smith and Matt Smiley have successfully completed their probationary period. They will now progress into the SVFD Engineer program.

Each shift trained on rural water supply operations for structure fires in our non-hydrant areas.

FF Shaughnessy is nearing completion of his County paramedic accreditation program.

CICCS applications have been approved for BC Lofranco as a qualified Strike Team Leader, and Safety Officer trainee. BC McNeil has been approved for Safety Officer trainee as well.

EMS

Hospitals have reported a lack of staffing at ERs and have requested help from local agencies to fill in. The EMSIA and County EMS is currently working on an agreement with the hospitals to utilize off duty fire paramedics, however we will not be participating at this time.

Prevention

Captain Vandervoort completed 5 WUI/LE100 inspections, 2 new construction underground inspections, state mandated occupancy inspections at Santa Cruz County Juvenile Hall, Acorn Court Apartments, and Emerald Hills Apartments. He also completed 5 plan check/permits, investigated 3 Fire Hazard Complaints and a driveway inspection for a prospective builder interested in building a house off Glen Canyon Road in Scotts Valley.

Captain Vandervoort also met with the Glenwood Open Space Preserve manager to discuss their vegetation management needs, and has been working closely with the owners and developers of Polo Ranch and the Valley Gardens property to mitigate fire hazard complaints on those properties.

Fire Chief

I was contacted by the County Auditor to be an alternate on the County Treasury Oversight Commission representing Special Districts. On September 28th, the County Supervisors approved the nomination.

I met with the Board Finance committee to review policies and proposed fee schedule.

The Board Facilities committee met and discussed future plans for the Erba station.

Captain Vandervoort and I met with the City of Scotts Valley City Manager, Community Development Director and Administrative Services Director regarding the current and future collection of fire fees. Currently the City collects some design and plan review fees for the District, and then issues the District payment once fees are collected. However, we have had difficulty reconciling the fees we charge with what the City sends us, therefore we are working on a solution that will work for both agencies.

The women's bathroom remodel at Glenwood is almost complete, crews have some touch up work to do. Special thanks to BC McNeil and the crews at the Glenwood station for taking on this project.

We met with the auditor Zack Pehling as he is working on our 2020/2021 financial audit.

Attended a Branciforte community meeting hosted by Supervisor Koenig on September 1st, then attended a follow up town hall meeting on September 13th.

We worked a lot this month on transitioning administrative responsibilities back to Branciforte Fire. Our administrative staff provided the new Branciforte fire chief with hands-on instruction, as well as providing a comprehensive training manual to assist in a successful transition. I also met with Chief Sweeden to pass on relative information for the transition.

Admin staff moved all files to Branciforte station at the end of the month, and created an operational workspace for their office needs. They assembled a new desk, set up computer and cleaned and organized the office.

We received the FEMA reimbursement from the CZU complex for Chief Kovacs' time.

Admin staff attended the County quarterly meeting regarding the transition to their new financial software program for budgets and GASB reporting.

The actuarial study of Retiree Health Liabilities under GASB 74/75 roll-forward valuation has been completed by Total Compensation Systems, the report will be included in the financial audit.

Admin Specialist Bridges installed 4 cars seats in September.

We still have 2 employees off on Work Comp injuries. One employee is back to working light duty, and is expected to return to full duty in November. We still have PCF Morin filling in as a Temp FF/PM.
