Action Items - Discussion/Action

7.1 New Type 1 Fire Engine Purchase

- 7.1.1 Approve the Specifications for a Type 1 Fire Engine.
- 7.1.2 Approve Pierce Manufacturing as a "Sole Source" Vendor for the required All Wheel Steering Functionality.
- 7.1.3 Execute a Contract with Golden State Fire Apparatus for the Purchase of a Pierce Type 1 Fire Engine Pursuant to the Specifications and for a Total Price not to Exceed \$805,000.
- 7.1.4 Approve Payment in Full at Time of Contract Execution to Achieve the Savings of \$42,572, which is Factored into the Identified Price.

Chief Whittle reported that Battalion Chief McNeil met with the Facilities and Equipment Committee to select an engine similar to Engine 2511.

Battalion Chief McNeil explained that they are slightly modifying the design to best suit the SVFPD's needs which included raising the roof of the cab by 10 inches to allow more passenger room in the rear cab that adds no additional over all height due to the light bar was moved to the front. No other additional changes were made.

Chief Whittle stated that since 1996, the SVFPD has purchased All Wheel Steer Engines from Pierce. He then reported the price and the delivery time, now 26 months, which has increased due to supply and demand issues. Chief Whittle stated he looked into financing options and consulted with the County Investment Officer and confirmed the best option would to be utilize the savings from paying for the engine up front.

Director Parker thanked staff for looking into the financing options to find the best way to finance the engine purchase.

On motion of Director Pisciotta seconded by Director Parker to *Approve Item 7.1 New Type 1 Fire Engine Purchase* was approved by the following vote:

SCOTTS VALLEY FIRE PROTECTION DISTRICT Regular Board Meeting August 10, 2022

8.2 Administrative Report - Chief Officers

The Administrative Report was included in the board packet and Chief Whittle reported on the following:

- On July 24th at 0300 hours, E2538 was deployed as part of strike team XCZ2325C to the Oak Fire near Mariposa. The strike team was released on 8/1 and reassigned to the McKinney Fire in Siskiyou County, they returned on August 8th. We sent a crew as part of a local Task Force to the Six Rivers Complex on August 9th.
- The soils engineers have drilled and collected the soil samples needed for testing and waiting for the final report to come in.
- SCHMIT Quarterly training was held at Zayante Fire Station July 20th. The training consisted of apparatus and equipment familiarization, table top exercises, monitoring equipment, donning and doffing level A suits and decon.
- Captain Sundermier and crew attended a joint water tender training at the Summit Restaurant with Santa Clara County Fire Captain Brook Hardy and crew. The drill focused on drafting and jet syphoning utilizing 2 portable tanks.
- Crews have been working on identifying and pre-planning all the elevators within the SVFPD. A big thank you to Matt Smiley who has been doing the majority of the site visits and data entry and to Brian Green who put together the new passive forcible entry and elevator tool kits on the engines.
- Crews did a second flow test of the hydrant system at Spring Lakes Mobile Home Park. The pressure was
 boosted in the park increasing the flow of the hydrants by approximately 200 GPM. SVFPD will be
 working with the pipe contractor, engineer, and home owners associations on other ways to help improve
 fire flow in the park.
- Deputy Fire Marshal Collins worked alongside Captain Vandervoort the first week of July, which included County Building and the City of Scotts Valley plan review processes, and discussing open projects. DFM Collins and Captain Vandervoort also completed the inspection of the 4th of July fireworks event. DFM Collins met with a representative from SV Water District to inspect several of their tank sites to discuss vegetation clearance. DFM Collins has been working on the Streamline database that is currently being used to track inspections. She has also been working with Streamline to try and track all construction plan submittal, reviews, permits, fees and inspections. In following the SVFPD's record retention policy, DFM Collins cleared out a file cabinet of old plans and looking into converting the remaining documents to electronic in order to discard the remaining paper documents and plans.
- Chief Whittle met with Marilyn Underwood, the Director of County Environmental Health, and John Gerbrandt from County Environmental Health to discuss the SCHMIT program past present and future, including operations, administration and finance.
- Felton Fire requested 5 parcels be annexed to their District as they are at the edge of the SVFPD. This would have little impact on our revenue. Chief Whittle will bring this to the Board at the next meeting.
- County Radio Study is completed and does not look favorable or a good fit for the SVFPD. Other avenues are being researched.

Surplus Equipment

Recommendation

Declare the following list of equipment as surplus property, and remove from District inventory.

Direct the Chief to dispose of the equipment utilizing a bid process, donation or recycling.

Discussion

Each year we replace/upgrade our computer workstations based on a 5 year life cycle. This year we have 3 machines to surplus.

Last month our Kaeser compressor experienced a major oil leak. The quote to repair the compressor was over \$6,000. The compressor was purchased in 2002 for \$3,999.32. The decision was made to replace the Kaeser compressor with a less expensive but quality compressor.

We have 3, 4 drawer file cabinets that are no longer needed.

Subject:

Felton FPD sphere annexation

Recommendation

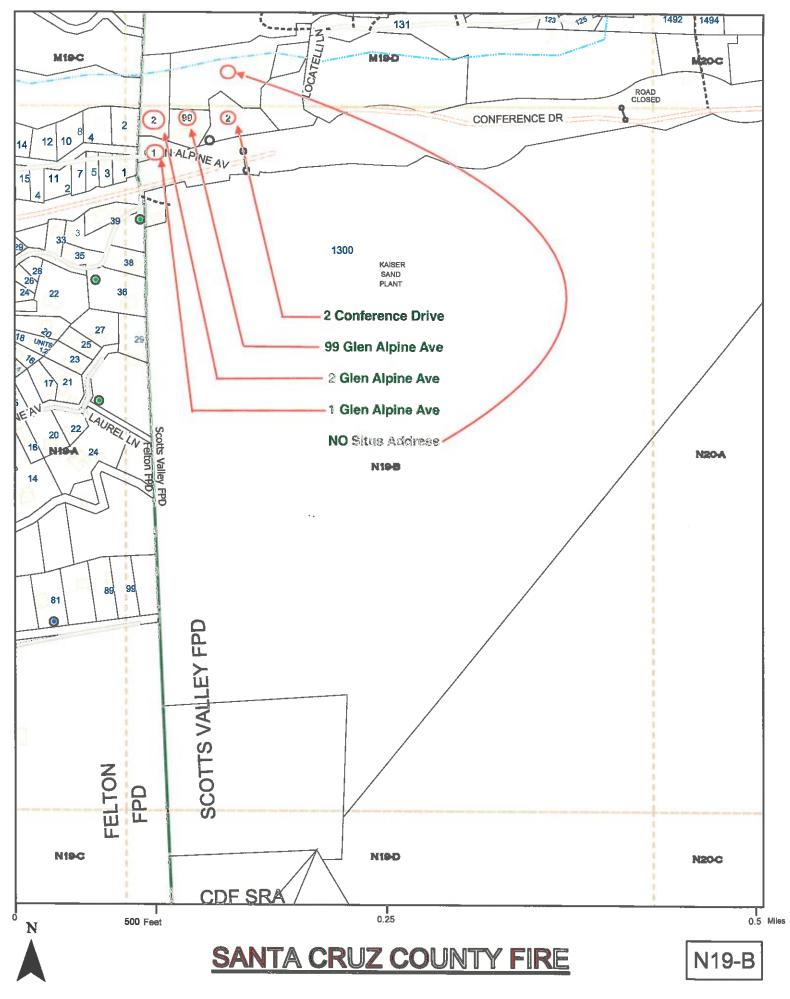

Direct the Fire Chief to draft a letter to Felton FPD and LAFCO supporting the detachment of 5 parcels that are currently within the SVFPD boundary.

Discussion

I received an email from Felton Fire Chief Robert Gray regarding 5 parcels that are within our District Boundaries, but are serviced by Felton Fire Protection District. The 5 parcels are located within the Felton FPD Sphere of Influence, and the Felton Board would like our support for their request to annex the property into their Fire District.

The parcels are located at the end of Conference Drive and Glen Alpine Avenue. (See the attached map for reference)

I have consulted with LAFCO Executive Officer Joe Serrano on this matter, and he advised that most of the work and documentation falls on Felton FPD. The SVFPD Board is not required to take any formal action unless it opposes the proposed detachment. However, once LAFCO received the application, he will solicit comments from all the affected and interested agencies. This will be an opportunity for SVFPD to provide any correspondence about the application. At that point, LAFCO would like a letter from SVFPD stating that it supports the detachment or that it does not oppose it.

August Administrative Report

Administration

Admin Specialist Bridges inspected/installed 4 car seats in the month of August.

Admin has been working on the following:

- Closing the 2021/2022 FY for the Financial Audit
- Setting up the 2022/2023 FY
- Attended W4 Tax Webinar
- Volunteer/PCF Hiring

Operations

E2538 responded as part of Task Force 2329 to Trinity County for the Six Rivers Complex. The Task Force consisted of 3 Type 3 engines from Santa Cruz County, 2 Type 3 engines from Sonoma County and 1 water tender from Alameda County. BC Stubendorff went out as the Strike Team Leader Trainee. The task force returned safely after the 14 day assignment.

The station one Kaeser air compressor had an unexpected terminal failure. Since the repair quote was very expensive, a smaller compressor has been purchased for a fraction of the cost to repair the old one.

The Bauer SCBA compressor is in transit and expected to be installed the first part of September.

The Pierce Mfg. Enforcer Pumper has been ordered and paid with a product completion date of 10-31-24.

E-2511 had a couple oil leaks repaired and a new turbo actuator installed by CTL shop.

The Geotechnical report is taking longer than anyone has expected. The full seismic report should be ready by the end of September.

On August 3rd C-Shift crews along with Santa Cruz City Fire, Felton Fire and AMR responded to a confirmed structure fire on Oak Creek Blvd. Fire was extinguished and contained to the room of origin.

SVFD crews along with Cal Fire have responded to several small wild land fires in the Hansen Quarry area off Mount Hermon and Conference. SCO and Cal Fire are cooperating on the investigation.

EMS

Engineers Nehf and Smiley along with C shift E2512 crew taught CPR class to the Baymonte teachers. Engineer Nehf also hosted a CPR class for NetCom / Dispatch employees.

Training

PCF: PCF hiring orientation was hosted by Captain Cortes and Firefighter Shaughnessy 8/22/2022. 6 candidates attended and will be moving on to interviews.

EMS training: Crews attended County training that consisted of new EMS airway adjuncts, SOP's, policies and changes to 911 code 2 responses.

Santa Cruz County Block training: SC County fire agencies have started county wide rope rescue training. Training will continue through September and part of October.

Probationary Firefighter training: Both FF Vandiver and FF Shaughnessy are progressing. FF Vandiver is finishing up the last part of probation which has been focused on the wildland apparatus and water tender operations. FF Shaughnessy has been working on driving and pumping the Type 1 apparatus. Both are ahead of schedule with no issues noted.

Task Books: Acting Captain and Engine Boss: Several employees have launched their task books for Acting Captain and Engine Boss. Crews and individuals with task books are training and getting sign offs working towards completion.

Prevention

Deputy Fire Marshal Collins completed 8 annual inspections, including state mandated 2021 follow up inspections and 6 re-inspections.

DFM Collins performed 20 construction inspections, 12 vegetation clearance, complaint inspections & miscellaneous inspections as well as 14 in-house plan reviews.

DFM Collins added over 200 occupancies into the Streamline database resulting in 502 non-state mandated occupancies. She will continue to work on separating the inspections by area and year in hopes of beginning January 1, 2023.

DFM Collins completed the fire alarm and building final inspections at Target. The projected opening date is scheduled for late September.

DFM Collins has been working with the SV Unified School District facilities manager on repairing 2021 school violations in anticipation of the 2022 inspections scheduled for 10/31/22 and 11/1/22. For future school inspections, she would like to schedule early January to work with the schools to gain compliance within the same calendar year.

DFM Collins has been working with the SV Building and Planning departments on their new database OpenGov.

DFM Collins is continuing to assist with the Santa Cruz County Fire Prevention Officers updating the Fire Code Ordinance in preparation for the adoption process.

DFM Collins has been working with Chief Whittle to revise the District's city plan review fee collection process.

DFM Collins and BC McNeil inspected/educated the staff and vendors at the Art Wine & Beer Festival located @ Skypark.

Hello,

Last Thursday night, I was camping at the Henry Cowell State Park with my children and family friends. I heard yelling and arguing at the campsite opposite of mine which sounded very aggressive and as if there was physical assault happening. It was pretty scary for all of us to hear and it escalated to the point that the park ranger, Scotts Valley Fire Department and Sheriffs came to support. It felt so dangerous until you all came in and resolved the threat. On top of it, you spoke to our children to reassure them that they guy was gone and wouldn't hurt them. All of the children wrote about the incident on postcards the next day. Thank you for stabilizing a real threat and for taking the time to reassure our family. I walked into the kitchen today and saw that my 8 year old put the sticker you gave him on his water bottle. You helped reduce the impact of trauma related to this event for myself and my children and I am SO grateful.

Thanks for all you do every day to help keep us safe.

Best, Joanna Littell A grateful mom and citizen

Dear Chief Ron Whittle,

We want to thank you first for sending your engine up to help with the Six Rivers Lightning Complex Fire!!

Secondly, we would like to thank you for sending the Scotts Valley crew that you did. Nervous doesn't really explain how we felt about this fire. We were reassured daily about the back burn and how often the lines were checked. We must admit that we learned a great deal about fire behavior from your crew.

Also if you could pass along a thank you to Josh and Chris from Santa Cruz.

We can definitely say we shook hands and hugged some HEROES!!

We are so lucky to have this type of caliber of fire fighters help us in our Six Rivers Forest.

I was an administer at a local school for many years and dealt with many employees and I feel that these employees that you have will be an asset for you and your department for years to come. Garrett, Kevin, Will and John were awesome!

Thank you doesn't seem big enough to express our gratitude.

With Love and Thanks,

Chartery Meierding
