5. Discussion Items

5.1 La Madrona Fire Station Planning / Safety Measures to Address Seismic Concerns for Firefighters at Fire Station One, located at Erba Lane

Chief Correira shared, following the February 4th workshop, this item will remain on the agenda as a standing discussion. The Station Facilities Committee met to address seismic concerns at Fire Station One, prioritizing an engineering assessment to determine necessary safety upgrades, particularly for the east wall and apparatus bay. Staff will seek proposals and contractor estimates before determining next steps. Meanwhile, the current plan is for administrative staff to relocate to Glenwood Station to free up space for temporary firefighter accommodations.

Regarding La Madrona, Chief Correira sought board direction whether to resume paused design and engineering work, as there are funds budgeted. The board agreed to add this as a future action item, with updated cost estimates from RRM. A prior structural report will be reviewed, but an updated engineering stamp will likely be required for city approval. The Board was encouraged to evaluate these options and consider a workshop or ad hoc committee to explore financial strategies to advance the District's facility goals.

5.2 First Responder Fees

Battalion Chief Stubendorff presented a proposal to implement first responder fees for motor vehicle accidents, particularly on Highway 17, where over 90% of incidents involve non-district residents. The intent is to recover costs through motorists' insurance rather than charging individuals directly. The district would use a third-party billing service, with company officers collecting insurance information on scene.

Chief Correira noted that many California agencies with major highways already use this model. The board discussed potential revenue, the need for a nexus study, and the estimated recovery rate (about 30%). If the board is interested, staff will conduct further research, consult legal counsel, and develop a structured plan before moving forward.

Board members expressed interest in exploring the idea further but requested more details, including projected revenue, fee application, and examples of agencies that have adopted or declined the program.

6. **Action Items- Discussion/Action**

6.1 Vote on Special District Seats on LAFCO

Board Comment/Questions:

The Board discussed the upcoming election for special district seats on LAFCO. After discussion, the Board opted to take no action on this item.

The Board took no action on Action Item 6.1.

6.2 Type 1 Engine Purchase

Board Comment/Questions:

The Board discussed the purchase of a new Type 1 engine, considering the extended build time of approximately four years. Chief Correira and staff presented information on cost comparisons, including the financial impact of purchasing now versus waiting. The Finance Committee recommended purchasing the engine upfront due to high inflation rates and interest costs on financing. The Board reviewed the flexibility of build specifications and potential minor modifications during the build process. The Board was in agreement the District should proceed with purchasing the Type 1 engine now to secure a production slot and begin the build process.

Public Comment: None

Motion to approve the upfront purchase of a Type 1 Engine was made by Director Pisciotta, seconded by Director Weaver, and approved unanimously 5-0 by a roll call vote.

6.3 Felton EMS Transport Unit Purchase

Board Comment/Questions:

The Board discussed purchasing an EMS transport unit from Felton Fire for \$5,000, plus an estimated \$6,000 for repairs. Chief Correira explained that acquiring the unit would allow Scotts Valley Fire to provide transport services if needed, especially given concerns about AMR's reliability. Director Pisciotta gathered maintenance records, confirmed necessary repairs, and noted the unit is in good condition with low mileage. The Board saw this as a cost-effective way to explore EMS transport.

Public Comment: None

Motion to approve the purchase of Felton's EMS Transport Unit was made by Director Weaver, seconded by Director Pisciotta, and approved unanimously 5-0 by a roll call vote.

6.4 Term Limited Deputy Fire Marshal (Retired Annuitant)

Board Comment/Questions:

The Board discussed hiring retired annuitant Greg Vandervoort as a term-limited Deputy Fire Marshal to support fire prevention efforts. With Acting Fire Marshal Collins shared between Scotts Valley and Central Fire, additional help would ensure continued progress on inspections and weed abatement. Vandervoort would work two days per week, reporting to Collins. Central Fire agreed to cover the cost. The position would remain for the duration of the shared Fire Marshal agreement or Vandervoort reaches his maximum allowed hours. The Board considered the proposal with no further discussion.

Public Comment: None

Motion to approve the hiring of Greg Vandervoort for a Term Limited Deputy Fire Marshal position as a retired annuitant at the hourly Deputy Fire Marshal Salary Step B was made by Director Pisciotta, seconded by Director Hurst, and approved unanimously 5-0 by a roll call vote.

7. **Board of Directors and Administrative Reports – Information/Discussion**

7.1 Board of Directors Report – Directors

Director Cosner reported that contract negotiations have begun, with the first meeting with the Local 3577 group going very well. He noted that the bargaining team was well-organized and presented a comprehensive plan. He and Director Whittle have reviewed the proposal and prepared a response. The next meeting is scheduled and will take place soon.

7.2 Administrative Report – Chief Officers

Battalion Chief Stubendorff provided the following update:

Truck Operations Training: Captain Sundermier and Engineer/Paramedic Smith attended an 88-hour Truck Company Operations course in Whittier, CA. They are now sharing insights with district crews and the local academy.

Fire Deployment: A Scotts Valley engine company was deployed for 16 days as part of a task force at the Eaton Fire, recognized for their contributions.

Health & Wellness Training: Captain Cahir led a “First Responder Resiliency” training at 1440 Multiversity, with participation from 51 responders.

Call Volume and EMS Success: The call volume was below average, however, the crews did an exceptional job on a call that involved successfully saving a teenager experiencing a severe asthma attack.

Battalion Chief LoFranco provided the following updates:

Academy & County Training: The joint Fire Academy with Central Fire is progressing well under Acting Captain Engineer Green and Henry Tobias.

Countywide training will focus on swift water awareness. Future plans aim to develop a specialized swift water rescue team.

Battalion Chief McNeil provided the following updates:

Type 1 & Type 6 Engine Updates: A new Type 1 engine is nearing final inspection in early March. The Type 6 engine will be showcased at FDIC in April, with final inspection in late March. Additional upgrades, including shocks and steering stabilizers, are being added at no cost due to being showcased and delivered at a later date than expected.

Chief Correira provided the following update:

Challenge Coin Presentation: Chief Walpole presented a custom challenge coin to responders involved in the tornado response.

Pre-Storm Staffing: Due to an incoming atmospheric river, an extra crew has been staffed at the Branciforte station for 24 hours.

Awards Event: Due to the new awards policy and the upcoming Blue and Gold event planning is underway for possibly bringing back a past recognition event, possibly a breakfast format.

Fire Maps & Community Outreach: New LRA fire maps are expected by February 24th. Plans include an open house at the Water District to discuss maps, water systems, building codes, and insurance options.

Administrative HR Certification: Alyssa Rodriguez was recognized for earning a national HR certification while managing her role and family responsibilities.

Water District Intertie Project Update: The Scotts Valley Water District has announced upcoming construction for the intertie at La Madrona.

8. Correspondence

8.1 Scotts Valley Chief Officers- Request to Open Negotiations

8.2 Email on Solicitation for Nominations for Positions on the FRMS Board of Directors

The Board received and filed the correspondence.

9. Request for Future Agenda Items

There were no requests for future agenda items.

10. Closed Session: Government Code §54957

10.1 Closed Session Conference with Legal Counsel – Threatened/Anticipated Litigation

Significant exposure to litigation pursuant to Government Code sections 54956.6(d)(2) and 54956.6(e)(1): 1 case

10.2 Labor Negotiations: Government Code §65957.6

Conference with Labor Negotiators, Directors Cosner and Hurst

Employee Organization: Local 3577, International Association of Firefighters

At 7:13 p.m., President Cosner announced the Board would be going into Closed Session for the purpose to discuss items listed in 10.1-10.2.

11. Open Session: Government Code §54957.1

11.1 Report on closed session

At 7:44 p.m., the Board reconvened to Open Session and President Cosner reported on Items 10.1-10.2. Information was received, and direction was given. No action taken.

12. Adjournment

The meeting was adjourned at 7:44 p.m.

RE: Board Memo 2024-25: Surplus Items

Recommendation

Approve the items on the attached form for surplus and authorize Staff to dispose of or sell them using an online auction house or similar form.

Discussion

Occasionally, the District needs to dispose of items that have reached the end of their useful life, been damaged, or are no longer required. To accommodate the disposal of these items, the Staff submits the items to the Board to be acknowledged as surplus items.

Staff recommends that the attached lists be deemed surplus, allowing them to be sold through an online auction house (govdeals.com) if their value is above a de minimis level or disposed of through conventional means. Some items listed may have trade-in value; if so, any proceeds will go towards similar purchase items. In cases where surplus items of value cannot be sold but still have a practical purpose, we will contact neighboring agencies to gauge interest and transfer the items to them administratively.

RE: **Board Memo 2025-16: Resolution 2025-03 Declaring A Public Nuisance**

Recommendation

Move to approve Resolution 2025-03

Background

On August 14, 2024, the Board of Directors unanimously approved Ordinance 2024-01 establishing a Districtwide weed abatement program. This program allows the District to declare vegetation and other waste as a public nuisance if it meets criteria outlined in the California Health and Safety Code. It also allows the District to mitigate the nuisance at the homeowner's expense.

Through the adoption of the attached Resolution, the District can apply notice to properties that are identified as a public nuisance. These nuisances will be abated after the process is fulfilled as prescribed in the ordinance. The abatement process will be handled by a landscaping company that a contract with the District for this purpose.

After the Resolution is approved, District Staff will solicit bids with local landscaping companies through a request for proposal (RFP) process. Staff will work with the most responsive bidder to establish a contract for abatement services. This contract will be brought back to the Board of Directors for consideration of approval.

RESOLUTION NO. 2025-03

**RESOLUTION DECLARING CERTAIN VEGETATION AND CERTAIN WASTE
MATTER A PUBLIC NUISANCE UPON REAL PROPERTY WITHIN THE DISTRICT
AND PROVIDING FOR THE ABATEMENT AND REMOVAL THEREOF**

WHEREAS the Board of Directors of the Scotts Valley Fire Protection District, pursuant to the provisions of Ordinance 2024-01 and pursuant to Health and Safety Code Section 14930, et. Seq., declaring certain vegetation and certain waste matter a public nuisance and providing for the abatement and removal thereof within the Scotts Valley Fire Protection District; and

NOW, THEREFORE, BE IT RESOLVED THAT the Fire Chief is directed to give notice of the passage of this Resolution declaring such nuisance and provision for abatement thereof and to state that such nuisance be abated without delay by the destruction or removal of such weeds; and

BE IT FURTHER RESOLVED that the work of abating such nuisance will be done by the District if the owner or owners of real property and or properties do not provide for such abatement of, and the expense thereof shall be assessed upon the property from which such weeds shall have been destroyed or removed; and

BE IT FURTHER RESOLVED that there shall be a Public Hearing before the Board of Directors of the Scotts Valley Fire Protection District at 6:00 PM or shortly thereafter on March 12, 2024 at the Scotts Valley City Hall, 1 Civic Center Drive, CA 95066 for the proposed abatement and removal of matters of public nuisance as described in Ordinance 2024-01, a notice of which shall be published at least once in a newspaper of general circulation, published in the County of Santa Cruz, at least ten (10) days prior to the time herein fixed by the Board of Directors for hearing objections.

PASSED AND ADOPTED BY THE Board of Directors of the Scotts Valley Fire Protection District, County of Santa Cruz, State of California, at a regular meeting held on March 12, 2025, by the following vote:

Subject: Administrative Report – March 2025

Administration

- Hosted the Finance and Planning Committee Meeting on February 3.
- Hosted a Facilitates and Equipment Meeting on February 5.
- Supported the February 4 Board Workshop.
- Onboarded the retired annuitant who will support the Prevention/Community Risk Reduction Division as Deputy Fire Marshal.
- Hosted the first quarter Captain's Meeting.

Operations

- The new station alerting system will be installed at Station 1 later in March or early April. Bryx is the vendor chosen for the system, which is also being utilized by Central Fire and Santa Cruz City Fire.
- The new type one is scheduled for final inspection on March 17-19. BC McNeil and Stubendorff will travel to the Pierce factory in Wisconsin for the inspection.
- The Type 6 is set for its final inspection in April, with Engineers Nehf and Lackey traveling to conduct the check.
- Engineer Lackey has been working on the district's equipment, addressing several issues that have recently arisen. Some repairs have been straightforward, while others have proven to be much more complex. Engineer Lackey and Bud Abbott will conduct annual safety inspections in early March.
- Staffed the Branciforte Fire Station during the atmospheric rivers that hit the area in February.

Training / EMS

- A new LUCAS device has been ordered. With a second device, the district will now equip each lead engine. The LUCAS device was used twice in February, successfully resuscitating one patient.
- Engineer Vandiver is collaborating with EMSIA as part of a new clinical group. This opportunity involves examining prehospital and hospital data on drug administration, airway management, trauma, codes, etc., and discussing with the new medical director to modify or implement new policies and protocols based on this new information.
- Crews participated in county block training in February, which involved swift water rescue. The drill focused on awareness and how our agency can initiate rescue operations until the swift water team arrives.
- Firefighter Perez has completed his 15-month test and is progressing through his probationary period and the Firefighter II program.

Hello,

I just wanted to reach out and say thank you to the firefighters who responded to the call regarding my boyfriend's suicide on December 23rd.

Thank you for the quick response, professionalism, and help during that life changing moment. Saxon was a Stellar Dad, an amazing partner, and all around just an awesome man. He is very loved.

Saxon was also a veteran, and served as a combat medic in Afghanistan. Thank you for showing up the way you did. I appreciate everything you all did more than I can explain.

Thank you from the bottom of my heart,

Kohl B.

Chief LoFranco,

Please make sure this gets to the crew of E2512 for a call they ran on 2/18/25 at 2130hrs, on Hacienda Drive. Could you please make sure their COC gets it also.

E2512 Crew:

My friends and I want to express our gratitude for the help you gave Janice and John Laurent last night. As John took his last breath, getting him into bed allowed him to pass the way he wanted too. John had joined the San Jose Fire Department after fighting in the Vietnam war. He retired (in 2008) as a Captain with 30 years of service to San Jose and he was married to his wife Janice for even longer. It means the world to us that you graced him with the dignity he deserved. Janice said you were all very nice, supportive and helpful.

Thank you for the dedication and service you provide to Scotts Valley, and please make sure you take care of yourselves throughout your career. No matter what, it is still the best job ever!!!

Respectfully,

Steve Forman
San Jose Fire Department (Ret)
